

Bright Future STEM Program

Carrington Public School Permission Note

Getting children interested and engaged in STEM, in particular girls, is a priority for resources and energy employers. In order to make a difference the Australian Resources and Energy Group, AMMA, has developed and delivered an interactive school program, Bright Future STEM Program, to encourage girls and boys to engage with STEM areas of study.

Your child is invited to be a part of an event on Tuesday 4th May 2021 at Carrington Public School, 88 Young Street, Carrington NSW 2294

This unique national program that engages 9-12 year-old, girls and boys and provide them with exposure to STEM professionals, encourage an interest in STEM careers and give insight into future STEM employment.

Students will listen to role models talk about their jobs and take part in hands-on STEM activities.

This form asks you to consent (or otherwise) to your child's participation to this program and gives your permission for your child to walk/catch a bus to attend the program at Carrington Public School.

CONSENT TO ATTEND EVENT

- Yes, I give permission for my child to attend the Bright Future STEM Program.
